**REGENT'S PARK HEART CLINICS LTD. NOMINATED
TO RECEIVE 2011 HEALTHINVESTOR AWARD**

LONDON, United Kingdom, 16 February, 2011: Regent's Park Heart Clinics Ltd. (Regent's Park), an independent healthcare company specialising in the diagnosis and treatment of heart disease, today announced that it has been selected as a finalist in two award categories for the 2011 HealthInvestor Awards: 'Diagnostic Provider of the Year' and 'Private Hospital Group of the Year'.

The HealthInvestor Awards promote excellence and recognise innovation in the healthcare sector. The judges look for organisations that have made an outstanding contribution to the industry in 2010.

Commenting on the nominations, Dr. Ohri, Founder and Chief Executive of Regent's Park said: "We are delighted to be a finalist in this year's awards in two categories. These nominations are an endorsement of our business development strategy that is committed to finding efficient, high quality, and smarter ways of delivering healthcare in a transitioning market environment". He added: "They are also a huge tribute to the dedication and professionalism of our frontline clinical staff who each day deliver patient-focused care".

The Judging Panel for 2011 includes:

- Nick Bosanquet, Professor of health policy at Imperial College London
- Roger Hardman, Founder, Equity research firm Hardman & Co
- Lord Hutton of Furness, former Cabinet Minister
- Mike Fry, former Chief Executive of Christie Hospital NHS Trust
- Douglas Quinn, former Chief Executive of Voyage Group
- Bob Ricketts CBE, Director of provider policy, Department of Health
- John Robinson, former Chief Executive of Smith & Nephew
- Dr Ian Rutter, GP and former PCT Chief Executive
- Sir William Wells, Non-executive Chairman, Ashley House.

The winners will be unveiled at a black tie dinner at the Grosvenor House Hotel, London, on 2 June, 2011.

Regent's Park is an independent company dedicated to creating world-class centres for the diagnosis and treatment of heart disease. The company develops, owns and operates diagnostic and treatment facilities focusing exclusively on cardiovascular disease in partnership with leading hospitals and groups of cardiologists across the United Kingdom. Regent's Park has been a national provider of cardiology services to the NHS since 2003, and has provided invasive cardiology procedures to over 35,000 patients through its facilities - coronary angiograms, coronary angioplasty, cardiac electrophysiology, defibrillator and pacing procedures. Regent's Park prides itself on its ability to deliver high quality, cost effective cardiac care, through excellent service, efficient operations management, well trained staff, and uncompromising professionalism.

The Regent's Park guiding philosophy is that every patient with heart disease should have access to healthcare of a world-class standard.
